Products

Plaster of Paris:

We are manufacturer retailer and stockiest of Plaster of Paris. We have gained an immense market reputation, by offering a premium grade Plaster of Paris Powder to our clients. It is widely used for making fall ceilings, structures, etc. We offer it to the leading construction houses and builders, all over the globe. Our offered product is highly acknowledged for its accurate composition, high strength, fine texture, and long shelf life. It is checked on various quality parameters before being forwarded to the clients. We offer it at a highly economical rate.

Gypsum Lumps and Gypsum Powder:

Gypsum is a very soft mineral composed of calcium sulfate dehydrate, with the chemical formula $\text{CaSO}_4 \cdot 2\text{H}_2\text{O}$. We offer the best quality **Gypsum Lumps**, which are precisely grinded for varied industrial applications. The clear appearance of our Gypsum Mineral Lumps is the marker of their purity, which is raising its demand among the clients. Clients can avail Gypsum Natural Lumps, from us, at the market leading prices:

We also Deals in:

- 1- Quick Lime Lump and Quick Lime Powder:**
 - 2- Lime stone Lump and Hydrated Lime Powder:**
 - 3- Rock Salts Lumps and Rock Salt Powders**
-
